Do You ?

Do you have a collection? It can be anything; books, tractors, dolls, rabbits, whatever. Kids are also welcome to display their collections. If so, please consider sharing it with the library for the display case. We have a new collection on display every month. If you are interested in sharing, please contact the library. We will be having displays from the Heritage Center every so often.

Rediscover the Joy of Hand Stitching

Stitching by hand is nurturing. There is a wonderful tactile sense you get when creating something entirely by hand that nurtures the soul. As your design comes to life through deliberate, thoughtful stitches, your creative side is nurtured.

The Beaman Stitchers meet at the Beaman Community Memorial Library for stitching each Tuesday from 3:00 PM to about 5:00 PM. Spend some time working on projects you want to get done and become inspired by the projects your friends are working on.

Donations & Memorial Gifts

If you wish to have a loved one remembered at the Library or Heritage Center, contact Sarah at the library. We also have bricks for the Heritage Center sidewalk for sale.

Donations of time, talent, or materials are also always appreciated by the staff, board, and library patrons. If you would like to donate time or talent, please stop by the library and talk to Sarah.

This quarter many items were donated by Anne Myers Ahlschwede. Thank you!
